Hello Phu Quoc... Long time no see...

Phu Quoc Island

Phu Quoc Island boasts idyllic beaches, romantic sunsets, evergreen forests, and a serene atmosphere, making it an ideal holiday destination for travellers looking to escape bustling city life. Located 45 kilometres west of Ha Tien in the far south of Vietnam, the northern part of the island is relatively untouched due to its status as a UNESCO-listed national park but there are plenty of luxurious resorts, funky bars, and quaint cafes along the southern coastline.

Aside from beachside activities, visitors can also explore traditional villages, expansive nature parks and Buddhist pagodas, all of which are easily accessible via motorcycle, taxi, bus or even daytrips by reputable companies. Catering to just about any budget level and preference, Phu Quoc's dining scene ranges from local markets selling fresh seafood and Vietnamese street food to expat-owned bistros offering authentic western and European fare.

If you're visiting Phu Quoc Island for the first time, you may not know that there's more to this island than vast beaches and romantic sunsets. The island is one of the best destinations in Vietnam for escaping the bustling city life as it's home to a UNESCO-listed national park, luxurious resorts, traditional villages, and quaint cafes along the southern coastline.

Thanks to its coastal setting, Phu Quoc Island also offers fresh seafood, tropical fruits, and Vietnamese dishes at affordable prices. There are also plenty of expat-owned bistros and bars that serve western and European fare. You can also experience the local lifestyle by frequenting its many local markets and Buddhist temples.
